

Republic Chamber of Commerce

It's time to join or renew your Chamber of Commerce membership

Whether you own a business or simply live in the area, the Republic Chamber of Commerce is your tool for improving your community, promoting your community and creating a cooperative spirit in the community. The purpose of your Chamber of Commerce is twofold:

1. To help promote local businesses to the community and to visitors, and to help business owners network with each other.
2. To help support the community through active participation in local events.

For \$35 per year, you enable your Chamber to do the following:

- ✓ Create opportunities for you to promote your business at low or no cost
- ✓ Get an opportunity to be featured on the newly renovated chamber website
- ✓ Enable you to network with other business owners in your area and beyond
- ✓ Give you a united voice with other business owners and create a space where you can come together with other business owners to seek solutions to business problems
- ✓ Participate in fundraising for community events
- ✓ Join other members who volunteer at Winterfest, Prospectors Days, Halloween, Hometown Holidays and other events to promote local business and "meet and greet" your community

Join us in working to improve the economy of Ferry County and in making it a better and more enjoyable place to live.

The Chamber of Commerce meets at noon the third Thursday of each month at the Chamber office, 157 N. Clark Ave (the old police station) in Republic.

Attached you will find a membership application

If any of your information has changed since you filled one out, please fill out a new application.

Mail your application with a check to:
